Subject: Re: Joe Biden as a Witness

We know Bloom lied to Jesuit Priest at Fordham University. I will have to be on my toes when I depose them under oath to catch all the lies.

The Bloom coffin at Fordham in the Bronx is now 300 days old and it sucks. The animal at the Brox zoo, some of which are close to extinction may not survive the onslaught of emissions.

As you all know I have conclusive evidence that Joe Biden helped Bloom get the Bloomdoggie going in Delaware. When I sue the EPA, I will depose #46 under oath. I will also depose Kamala Harris under oath about her role at CA DOJ hiding the Bloom Hazmat., For sure I will depose Jared Huffman one of the architects of the Bloomdoggie in Sacramento. Also to be called as a witness under oath are Dianne Feinstein and Murky Murkowski. Of course I will call Patrick McCormick as a witness. If time permits I will call low level sleaze like Markell, Denn, Levin and crooked Colin O'Mara as well as Crooked Chris Coons and Toxic Tom Carper.

This is going to happen. I wonder if Bloom will use Cooley, or Akin Gump, or Hogan Lovells when I depose all the Bloomdogglers about the hidden hazmat and the GREENWASHING of emissions (CO2, Decoking and VOC). Maybe Bloom will use all three high power law firms as they know they are guilty as hell and the only reason they are still in business is that swamp has protected them..

I guess Rudy Guliani and Alan Dershowitz will be too busy defending #45. So I may have to do the depositions on my own.
